Statement of Purpose

It is the purpose of the Historic Downtown Murrieta Association (HDMA) to promote business development and to enhance the business environment of the Historic Downtown Murrieta area. This will be done by establishing a participatory, active and ongoing organization that assists existing and new downtown businesses through cooperation and organization, and encourages new and complimentary business development. The HDMA works to preserve and enhance the historical nature of the downtown area, and to promote and encourage patronage of downtown businesses and special events, in addition to working in cooperation with the City of Murrieta and the Murrieta Chamber of Commerce to support existing ongoing activities within Historic Downtown Murrieta.

The association's work is focused on promoting downtown enterprises, strengthening business management skills and preserving the historic nature of the area.

The group normally meets the second Tuesday of the month at locations to be announced.
