DETAILS:

On 06/15/09, at approximately 1845 hrs, suspects entered Radio Shack located at 41036 California Oaks Rd, Murrieta. After approximately 20 minutes inside the store, Gustavo displayed a handgun and yelled at the two clerks "This is a robbery. I have a gun." Gustavo then demanded the two store employees to open the register and place store merchandise into a plastic Radio Shack bag. Yasmin and Roxanne then reached into the open cash register and removed cash from the register and began placing merchandise into the plastic bag. All three suspects were seen fleeing the parking lot in a silver sedan (which was later recovered). Murrieta officers responded to the scene and were able to lift five latent prints; one belonging to Yasmin.

On 07/16/09, detectives from MPD were able to locate Yasmin in the City of Apple Valley and was arrested after a traffic stop was conducted by San Bernardino Sheriff's Department.
