A message from the event organizers

Back for another year, the City of Murrieta is looking for quality talent to showcase at our Battle of the Bands event. Our goal is to provide a positive, safe, and fun environment for all spectators and participants. We hope that you and your band will help us achieve our goals.

Requirements

Each band will be allowed a maximum of 15 minutes to play. All bands must be Youth Bands (see criteria below). All members must provide their own equipment (musical and electrical).

Youth Bands: A "Youth Band" is comprised 100% of members that are still attending Middle or High School with valid school I.D. There are no exceptions.

Selection Process: A total of 7 bands will be selected to perform at this event. A committee comprised of Murrieta youth and staff from the Community Services Department will select bands. Bands will be selected based on sound and style. The use of vulgar or obscene lyrics will **not** be tolerated and if used will result in immediate disqualification from the selection process. The 7 bands that are selected will be notified via mail or phone by September 18, 2009.

Entry Materials

All bands interested in entering the selection process for the Battle of the Bands must complete and submit the "Battle of the Bands - Entry Form", copy of current student I.D. and provide an audiotape, CD or .mp3 file that includes the music that will be performed.

Deadline

The deadline for the above materials to be received by the Community Services Department is Thursday, September 17, 2009 by 5:00 p.m.
